## Selectmen's Narrative

This year we saw our tax rate rise from \$12.50 to \$14.26 per \$1,000.00 of valuation. The school's share of the increase is \$1.18, making it the largest portion. Unfunded special education costs continue to increase the amount that towns pay. I wouldn't look for any relief from our Federal Government. One may question why we got tax rebates when their obligations haven't been met. Our State Government is still working on the cost of education formula. The reality is that towns will continue to pay what the State and Federal chooses not to fund. The special education costs are mandated, leaving us very little for voter discretion.

The county portion of our tax bill is up by \$ 0.40 and the town by \$ 0.10. This shows the portion of our tax bill that Stoddard's voters have authority over is under control. That is something we can all be very proud of. The reasons for our other increases, and their proportional share of our tax bill are something that we must be aware of.

We continue to be the only Donor Town in the region, and remain active in the Portsmouth Collation. A recent ruling by the State Board of Land and Tax Appeal has determined that we must do a complete revaluation before 2003. We've asked for bids and have received five responses ranging from \$135,000 to \$170,000. Last year we created a capital reserve fund for this purpose with an initial deposit of \$20,000. This year we're asking for \$60,000 and next year we must ask for the balance. If we reject this warrant article, the State will override us. We've already asked that question. Once again, the Town and its registered voters have no real say in the matter. The suit filed against the State by 27 towns found that the method of calculating the State Property tax was flawed, and thus unconstitutional. The Town had a complete revaluation done in 1990 by the State, the first one ever. It is interesting to note that when the constitutionality of the State's Property Tax calculation method is challenged, how quickly our valuation becomes obsolete. This year, the portion of our tax rate paid to the State Property Tax increased by \$ 0.07.

The most significant change this year is adoption of the May Town Meeting. March 2002 will mark our last traditional March Town Meeting. The budget we adopt this year looks a bit unusual too, because it encompasses eighteen months. Our fiscal year will now end on June 30<sup>th</sup>, versus December 31<sup>st</sup>. We've put a twelve-month comparison figure in our budget report so that the transition to the eighteen-month budget will make more sense. Next year we'll be back to a twelve-month budget, using the same accounting cycle as the school and Cheshire County. We also hope that more people will attend Town Meeting given the calendar change.

## DAVIS PUBLIC LIBRARY LIBRARIAN'S REPORT, 2001

The Library is open Thursday evenings 7:00 p.m. to 9:00 p.m. and on Saturday mornings 9:30 to 10:30 AM

Approximately 650 books, videotapes and audiotapes were donated to the library during the year. One hundred new books and videos were also purchased during 2001. The library continues to subscribe to the Junior Library Guild, receiving three new award winning books of different reading levels each month.

The library currently receives *National Geographic*, *Smithsonian*, *Highlights for Children*, *Taste of Home* and *Quick Cooking* magazines.

Two window boxes were placed at the library by the Stoddard Women's Fellowship. Wreaths were placed at the library during the Christmas season.

Alyssa Follansbee spent many hours at the library completing a community service project for school. After completing the project she continued to volunteer at the library, completing several important projects. Her assistance was greatly appreciated.

The following people made contributions to the library during 2001: Earl Lund, Alan Rumrill, Louise Johnson, Do Secco, Phyllis Sawyer, Lena Vaillancourt, Kim Monty, Patty Hill, Mr. & Mrs. Harry Bailey, Ellen Mason, Eunice Fiske, Mr. & Mrs. Alan Hannah, Pat McMahon, Marcel Albert, Ruth Moe, Mr. & Mrs. James Kelly, Angie Rollo, Harriet Beckwith, Vida Ostrowski, Ben & Ruth Bodell, Sarah Carlisle & children, Pat Campbell, Nellie Vitale, Wayne Perkins, John Adams and anyone else inadvertently left off this list.

## **AUDITORS REPORT**

The records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of the Trust Funds, Cemetery Commission, and Library Trustees Agent have been examined pursuant to RSA: 41.31 for the year ending December 31, 2001.

In the opinion of these Auditors, the above accounts, together with their financial statements, present fairly the financial position for the year end of the Town of Stoddard. These records also conform with generally accepted accounting principles applied using the cash basis method.

Respectfully submitted,  
*Virginia R. GrandPre`, Auditor*  
*Walter Serbent, Auditor*

## **STODDARD FIRE & RESCUE DEPARTMENT 2001 ANNUAL REPORT**

In 2001 we responded to and participated in a total of 150 emergency calls and activities:

27 Fire calls	42 Rescue calls
7 Motor Vehicle calls	50 Radio calls
12 Training meetings	12 Business meetings

This year the town replaced both furnaces in the station. Also, the roof was stripped and reshingled and some siding was replaced. These items were in need of replacement and should service the town for another 20 - 25 years.

John Phillips, a long time summer resident retired this year after 12 years of volunteer service to the town. He was a retired Keene firefighter. His services and knowledge will be missed by all. Thanks a lot, John.

We supported the Halloween and Christmas parties this year. Both proved to be successes enjoyed by all. Thanks to all who participated and supported these events. Thanks to everyone who supported our Old Home Day chicken BBQ and Wreath sales. Check our sign out front for upcoming events.

Our hearts go out to all Fire, Police and innocent citizens lost in the terrorist attack on 9/11/01 and their families. A generous donation was sent by the Fire and Rescue Department to help. We will remember them dearly. God Bless America.

Lack of volunteers is one of our biggest problems at the present. State mandated regulations and work and family obligations take up most of our valuable time. Anyone interested in helping out at any level of interest, please contact Chief Brian Cahill (446-3971).

We continue to thank the Antrim Ambulance for their professional service, dedication and quick response to emergencies in our town.

Respectfully submitted,

Brian Cahill, Fire Chief

Wally Weaver, Captain  
P.J. Lamothe, Rescue Captain

## FOREST FIRE WARDEN'S REPORT 2001

This year was very dry due to the lack of precipitation. We had to suspend burning a couple of times this year for a period of time. Fires started early this spring and with great intensity. Fire were burning deep down and were difficult to extinguish. These fires keep firefighters very busy throughout the year. We responded to some mutual aid calls with our brush truck and one call with the boat. We also had some minor fires of our own, with some starting from not totally extinguished camp fires.

This year we went to Bear Brook with a crew of five and the brush truck for state-wide training. There firefighters learn and are refamiliarized with equipment and methods of fighting wildland fires. This training also preps all the firefighters who are going out west to fight the very large wildland fires. They also meet with different members of the various departments from New Hampshire and Massachusetts.

Jessie Pollock and Wally Weaver, Jr. both went through this training this year with us and went as far as to take the 8 hour safety orientation which made both of them eligible for the western Fire Crews.

Wally Weaver, Jr. was called this year Wed., August 16th to report for duty with other firefighters from throughout the state. His crew was sent to Oregon 16 miles southeast of Medford to the Quartz Fire, which had consumed 6,000 acres. There his crew spent several days, before being bussed to Washington Mt. Leona Complex 10 miles northeast of Conille on a 6,100 acre fire. He returned to New Hampshire Wed., August 29th. We received very good feedback from our firefighter on a job well done. Wally is looking to join up with the Hot Shots and hoping to fulfill his dream as a Wildland Firefighter. We here on the department are very proud of his performance to duty. Good job done!!! Jessie will fulfill his dream hopefully next year, if called upon. He was another one ready to go who did not get the call.

We now have three firefighters eligible for Western Fire Crews. Along with that we have 2 state-wide certified crew bosses, 5 state-wide certified sawyers, almost all members are certified in Wildland Firefighting and are Fire Shelter Certified. Our department members are very involved and dedicated to our natural resources and will, at a moments notice, protect our State Forests and Lands which mean so much to the residents of NH.

Please help our department in protecting our forests and lands by making sure all fires are totally out. Remember that a fire permit is required by law and for kindling a fire in woodlands of another without permission of the landowner, or for kindling any fire without a written permit when a permit is required, a person may be guilty of a misdemeanor and fined up to \$2000.00, and or imprisoned for a period of up to 1 year. Please contact the local authorities before starting any fires.

Remember only you can prevent forest fires.

Joe Sarcione, Forest Fire Warden

## STODDARD POLICE DEPARTMENT REPORT

The year 2001 came into being with a somewhat different and unexpected twist as many of us recall. The area was hit very hard with three (3) huge snowstorms which was reminiscent of the olden days back in the '40's. Those storms, along with the normal snowfall deposited nearly fifteen (15) feet of snow on our roadways. This resulted in many calls requiring some 20 to 25 Police responses to vehicles off the road, and stranded vehicles, most of which required immediate attention due to there being children or young adults involved. We were also called upon on several occasions when roads became impassable and needed to be shut down, bringing travel to a standstill. One of these was the case when Route 9 from the 123 North intersection to the Antrim line was closed for about nine hours. Roof collapses, wires down and trees across wires seemed to be the norm during the first three months of 2001.

Criminal issues increased during 2001. Domestic Violence, Issuing Bad Checks, and Arrest statistics are growing which result in many hours spent in District Court prosecuting these subjects. Three of these cases were bound over to Superior Court and are still in some form of litigation. In years past, small, part-time Departments were able to call on the NH State Police to handle many of these issues, however, the State Police budget has been drastically reduced which translates to more calls and more Court cases being handled by local authority. The State Police, despite their time and budget constraints, have provided assistance when available and when called upon to assist with procedural issues and Court presentation. The Troop "C" Staff have provided a mountain of information and assistance in securing a conviction. Thank you Troop "C".

We applied for and received a Speed Enforcement Grant from the State for Route 123 North. During the months of June, July, August and September this 60 hour Grant was used to enforce speed limits from Route 9 to the Marlow Line on Route 123 North. For the most part, we received many positive comments from residents. Naturally, there were those who didn't feel as good about it as others, especially those using Route 123 as their "shortcut" from Route 9 over the mountain to Marlow and points north. The statistics on the Grant alone were: 196 motor vehicle stops, 76 resulted in Summons Issued. 74 of the Summons Issued were for excessive speed. In spite of the success of the Grant, we continue to receive complaints of excessive speed on Route 123. Highway Enforcement, Concord has requested that we apply for another Grant in 2002 due to Officer Sault's dedication to this endeavor.

The Stoddard Police Department was also included in a Statewide Grant to receive a new, \$3300.00 Astro Radio for the Cruiser. The Grant included installation and testing. Unfortunately, we saw no positive improvement in reception. In some cases, depending on the location, we noted that reception was lessened. The State tells us that this is due to the lack of antenna sites. We are told that until they are able to install more signal repeaters in specific areas, communication will remain the same. A Police radio repeater is being considered for Pitcher Mountain. At this time, Fire and Rescue have antennas on Pitcher.

As in previous years, there remains a serious concern over our 2 Door Cruiser. This Department is in dire need of a unit that can accommodate a cage enclosure for those subjects that resist arrest. It is agreed that the need is not that often, however, just one instance where the safety of the subject as well as the Officer came into play when a subject attempted to kick the windshield and side window out of the unit, damage the radio tower and components and the dashboard. A second unit with a cage had to be called to insure the safety of all concerned. It should be pointed out that when a person is "in custody" his safety is the responsibility of the Department in which he was arrested. Should injury to him/her occur during this "custody", the Town could be found liable for that injury whether it is self-inflicted or otherwise. The Police Department realizes that this has been an issue for the past several years and has been mentioned in previous reports, however, as our Criminal issues rise so does the need to arrest. When arrested, a subject has to be transported into Keene for processing and bail or processing and transport to the House of Correction. The responsibility of transporting falls to the arresting agency. Depending on the nature or reason for the arrest, the state of mind of the subject is the main consideration as to how the transport will be done. Occasionally, a person taken into custody is docile and compliant, then the mood swing takes place causing him/her to become combative and aggressive. When this takes place, a cage unit must be called to assist. It should also be pointed out that according the State Law, once a person has been taken into custody, is in wrist restraints, and becomes destructive or abusive, we are not permitted to apply any use of force such as OC Spray to control the subject. Steps SHALL be taken to bring the situation under control without the use of excessive force. Hence, a caged unit.

It is with great pleasure that the Town of Stoddard has enlisted the services of Jesse Pollock to assume the responsibility of Animal Control Officer. Jesse's availability when not at his full time job will be truly appreciated by the Police Department. Welcome Jesse. Animal Control calls can be made through our Dispatch Center at 352-1291. Should Jesse not be available, the call will be passed on to this Department.

During 2001, this Department received many complaints/calls regarding events that people either observed or heard, but did not report the event until a later date. It is important that if an issue needs to be related to this Department, it should be reported ASAP. There isn't a great deal that can be done if the call is not received by us until two or three days later. Also, if possible, make notes regarding vehicle or subject descriptions. DO NOT put yourself at risk by approaching subjects or vehicles you may feel are suspicious, but if possible, jot down any information that may be helpful such as: Subject's description, (clothing, tall/short, length/color of hair if can be seen from safe distance, etc.). Vehicle description, (make if possible, color, 2 or 4 door and plate # if can be acquired safely). Again, please do not jeopardize your safety by approaching, however, any information that you can get for us will be helpful.

Respectfully Submitted  
David Vaillancourt, Constable/Police Chief

## **PLANNING BOARD YEAR 2001**

The year 2001 has been a good year for the Planning Board. With the help of your staff of volunteers we have assisted both residents and business owners with several projects.

Two of these projects were minor lot line adjustments. The other two projects were the site plan reviews for the expansions of both Stoddard Gas & Grocery and Carlisle Restoration Lumber, Inc. By the time this goes to print you will notice these grand improvements to your local businesses. As always the board deliberated over many issues in regard to these applications, but through the process we have learned that through patience and objective reviews of all applications we can safeguard our quality of life and still provide required goods and services. The willingness of all Stoddard entrepreneurs to approach the site plan review process with an open mind and support for the good of all is an asset our town should be proud of.

We have also processed numerous voluntary merger applications this past year. This trend of merging this past year is a delight, as it allows many of the non-conforming lots to either come closer to conformity or to exceed the minimum standards that are set in our Community Planning Ordinance.

As I write this narrative I await the full report of the appointed Master Plan Committee. The committee has been hard at work behind the scenes and with cooperation from the Southwest Regional Planning Commission in preparing updates to our Master Plan. The Planning Board will review these recommendations and then present them to the voters for next year.

We also have drafted a change for our home occupation regulations. This proposed change has been prepared after several public hearings and drafts. It is our intent with this ordinance to allow some flexibility for home occupations to hire a local person to aid them in their home occupations. Many residents have discussed this for years and we present it to you now for your blessing.

Reflection on recent history only proves that nothing can stay the same forever. If you can not volunteer yourself please support and encourage all that make your life easier here in the big town of Stoddard.

Respectfully submitted,  
Casey J. Hayes  
Planning Board Chairman

## ZONING BOARD OF ADJUSTMENT 2001

2001 was a busier year for the Zoning Board than past years. We held six hearings all relating to the construction of or addition to buildings that would bring the new structures within the 25 ft. setback from side and front property lines. Understandably so, as additions are to existing structures and so much of our housing predates zoning. Their small lot sizes were also previous to the 2 acre lot size minimum in the rural zone and 1 acre in the residential or lake zone, thus putting them closer to their lot lines.

Our seventh hearing blossomed into several meetings, all regarding the cell tower. As you may or may not be aware, whether to have or not to have a cell tower in your community is not our choice. By Federal Regulations you must allow them. We do, however, have the right to input as to where they may be located and how they will appear in their surroundings. Our approval was based on several conditions, all in an effort to make the appearance of the tower as "invisible" as possible.

Our budget this year was level funding from the previous year of \$1,200. The additional time spent on our 7 hearings is reflected in our increased expenses which show as \$1,663.49, or over the \$1,200 budgeted! The costs of mailing and notices and other fees we collected is not noted next to the expenses, but elsewhere in the income section. That income was \$758.72, thereby reducing our operation cost of \$1,663.49. So as to clarify any confusion you may have, we actually came in "under budget". We will again be requesting a budget of \$1,200 for 2002.

This year Gerry Pelletier, who has served the town as a full zoning board member since October 1989, or 12 years, decided to retire from the board. Gerry was very faithful in his service to the town and we want to express our appreciation. We will miss you!

Fortunately, Richard Betz who had served as a full time member in past years, but who stepped down to an alternate position, agreed to once again take on the responsibilities of a full position. We want to express our thanks to Dick for filling that vacancy! We now are a full board of five members with one alternate.

There are times, when for various reasons, not all members can attend a scheduled hearing, and we have to rely upon an alternate to fill that vacancy. Roscoe Putnam, our alternate, has been able to step in as a full voting member several times this year, and we are grateful for his continued service! Thank you Roscoe!

## TOWN WEBSITE REPORT 2001

The Stoddard website, [www.stoddardnh.org](http://www.stoddardnh.org), was born out of a felt need to increase communications within the town. This was one of the primary goals coming out of the Stoddard in the Next Century meetings organized by Carolyn Jones and many others in October, 1999. A Communications Group evolved, led by Sue Francis, which decided to set up a town website. It was a large undertaking and involved expenses beyond what the volunteers could give.

The Selectmen approved a budget to hire a website designer, Melinda Taylor, who did the bulk of the technical setup. During 2000, Melinda worked closely with Sue, Dick Betz and Jim Kelly, who would maintain the site as webmaster when it got online. Together they determined the look of the proposed website and wrestled with the structure and content.

Finally the sections boiled down to: Most Frequently Asked Questions, Town Officers (boards and committees), Town Events Calendar, Schools/Clubs/Organizations, Things to See & Do, History, Town Map, and Useful Links (to other websites). Sue spent hours working out a large flow chart and planning links between pages. Dick, who was familiar with the Microsoft FrontPage website software, continued to give help to Sue and Jim who were novices. Jim arranged with WebRyders of Keene to be our service provider and host of our website.

The website group really wanted to get the website up and running by January 1, 2001, as a millennium event. Sue and Jean Kelly rushed around town snapping pictures of town buildings and landmarks. Sue worked to get correct information from the Town Clerk for all the boards and committees while reaching leaders of clubs, associations and organizations to get information since each would have a website page of their own. Jim started collecting minutes from the Selectmen, Planning Board, ZBA and the Conservation Commission, obviously an ongoing task all this year.

The website was not quite ready when January 1, 2001 approached, but the website group decided it was better to put it online as promised and to iron out the kinks during January and February. The website has now been visited by over 2400 viewers in less than one year. Some year-round townspeople check it daily for the weather, minutes of meetings they did not attend, or the town calendar. Others, particularly summer folks, can use it to keep up with the town while they are away. Newcomers can get a full sweep of what the town has to offer, how it is governed, and many of its attractions by spending a couple hours looking over the more than 70 pages.

The Stoddard website, while primarily for better communications for the town residents, also gives an attractive picture of Stoddard to the world. Stoddardites can be proud to invite distant and foreign friends to look up the website and get a glimpse of an active community in a beautiful setting. Our thanks to the town which has supported the site.

The Website Subcommittee

**HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES  
REPORT TO THE TOWN OF STODDARD  
JANUARY 1, 2001 TO DECEMBER 31, 2001**

**Annual Report**

In 2001, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Stoddard. The following information represents a projection of HCS's activities in your community in 2001. The projection is based on actual services provided from January to September 2001 and an estimate of usage during October, November and December.

**Service Report**

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	155 Visits
Continuous Care Nursing	160 Hours
Physical Therapy	40 Visits
Speech Pathology	0 Visits
Occupational Therapy	4 Visits
Medical Social Worker	5 Visits
Homemaker	11 Hours
Adult In-Home Care	2,100 Hours
Home Health Aide	27 Visits
Nutritionist	0 Visits
Health Promotion Clinics	1 Clinics

Total Unduplicated Residents Served: 20

Prenatal care, hospice services, regularly scheduled wellness clinics and child health clinics are also available to residents. Town funding partially supports these services.

**Financial Report**

The actual cost of all services provided in 2001 with all funding sources is projected to be \$47,894.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2002, we request an appropriation of \$800.00 to meet the home care needs of Stoddard residents.

Thank you for your consideration.

**THE STATE OF NEW HAMPSHIRE  
GRANITE LAKE VILLAGE DISTRICT  
ANNUAL MEETING NOTES - 2001**

The annual meeting of the Granite Lake District began at July 8, 2001 for the purpose of electing officers for the coming year and to act on the following articles.

1. To choose one commissioner for a term of three years, and see whether the inhabitants of the district will elect for the offices of Clerk, Sally Ripley; Moderator, John Halter; and Treasurer, Tom Yocono, each for one year. Kevin Robbins was nominated for commissioner

The motion was appropriately moved and seconded. The vote was affirmative.

2. To see if the district will vote to authorize the commissioners to borrow in anticipation of taxes.

The motion was appropriately moved and seconded. The vote was affirmative

3. To see if the district will raise and appropriate the sum of \$350.00 to defray village district expenses for the ensuing year and make appropriations of same.

The motion was appropriately moved and seconded. The vote was affirmative.

4. To see if the district will raise and appropriate the sum of \$750.00 to purchase liability insurance to cover the district.

The motion was appropriately moved and seconded. The vote was affirmative.

5. To see if the district will raise and appropriate the sum of \$500.00 to add to the capital reserve fund for dam maintenance and repair.

The motion was appropriately moved and seconded. The vote was affirmative.

6. To see whether the district will accept funds from the Granite Lake Association and from any other source for the purpose of maintaining, repairing, and replacing the dam.

The motion was appropriately moved and seconded. The vote was affirmative.

7. To see if the district will schedule its annual meeting directly following the Granite Lake Association meeting in July, 2002.

The motion was appropriately moved and seconded. The vote was affirmative.

There was a proposal to transfer \$2500.00 from the checking to a money market account.

The motion was appropriately moved and seconded. The vote was affirmative.

Repair of the dam will take place this fall to clean up leaks in the dam gate which was replaced last fall. Continued leakage led to a proposal by Tom Yocono. To see if Troy Tucker can come up with a new design to correct the problem and form a contractual agreement for the commissioners by August 21, 2001. If not, to allow the district to contract some other source.

The motion was appropriately moved and seconded. The vote was affirmative.

Drawdown of the lake for the repair will begin Oct. 12, 2001.

The motion to adjourn was appropriately moved and seconded. The vote was affirmative. The meeting was adjourned at 1:50 p.m.

Work has been completed on the dam gate and now appears to be sufficient as of early December 2001.

Respectfully,  
Sally Ripley, Clerk

Article 26 is adopted.

**ART. 27:** To see if the Town will authorize the establishment of a capital reserve fund pursuant to RSA Chapter 35 for the future revaluation of the Town and to raise and appropriate the sum of \$20,000.00 towards this purpose. The Selectmen recommend this appropriation.

Motion by Louis GrandPre`, seconded by Dennis Marquis.

Ann King asks when the last revaluation was done. Moderator Eaton says 1988-89. Selectman Louis GrandPre` explains the State has ruled the evaluations that have been done in the past are unconstitutional. They (the state) are proposing we have a unified evaluation of all the Towns in the State. This \$20,000.00 will give us a jump start on the final cost. Further discussion follows. Moderator Eaton steps down as Moderator to propose the following Amendment. To see if town will authorize the establishment of a capital reserve fund pursuant to RSA Chapter 35 for the future revaluation of the Town and to raise and appropriate the sum of \$1.00 (one dollar) towards this purpose.

Seconded by Harry Power. Further discussion follows.

On a voice vote the Amendment fails.

Article 27 is adopted as presented for the amount of \$20,000.00.

**ART. 28:** To see if the Town will vote to raise and appropriate the sum of \$10,550.00 to convert the Town's maps into digital format. The Selectmen recommend this appropriation.

Motion by Patricia Campbell, seconded by Louis GrandPre`. Discussion follows.

Article 28 is adopted.

**ART. 29:** To see if the Town will vote to change the purpose of the existing Transfer Station Renovation Capital Reserve Fund to the Town Land, Buildings and Improvements Capital Reserve Fund. (2/3 vote required)

Moved by Louis GrandPre`, seconded by Dennis Marquis. Discussion follows.

On a voice vote, the moderator declares the necessary 2/3 vote unanimously.

Article 29 is adopted.

**ART. 30:** To see if the Town will vote to raise and appropriate the sum of thirty four thousand nine hundred dollars (\$34,900.00) to purchase tax map 129, lot 14.2 as depicted

on a minor Subdivision Plan prepared for Stephen G. Staples and approved by the Stoddard Planning Board on 11/14/2000, and to authorize the withdrawal of said amount from the newly established Town Land, Buildings and Improvements Capital Reserve Fund (for consideration in the event Article 29 passes). The Selectmen recommend this appropriation.

Moved by Louis GrandPre', seconded by Dennis Marquis. Discussion follows.

A ballot vote was requested and seconded by more than five people. On a ballot vote, 44 No, 40 Yes.

Article 30 is defeated.

**ART. 31:** To see if the Town will vote to authorize the Board of Selectmen to accept as a gift for the Davis Library 0.38 acres of land designated as Parcel "A" on a Minor Subdivision Plan prepared for Stephen G. Staples and approved by the Stoddard Planning Board on 11/14/2000. Said parcel "A" is to be merged with the existing Davis Library land (tax map 129, lot 13).

Motion by Dennis Marquis, seconded by Louis GrandPre'.

Article 31 is adopted.

**ART. 32:** To see if the Town will vote to adopt the provisions of RSA 31:94-a (Optional Fiscal Year). Towns may adopt a single 18 month accounting period running from January 1 of the calendar year following adoption and ending June 30 of the following year. (Majority vote required).

Motion by Dennis Marquis, seconded by Louis GrandPre'. This will bring our fiscal year in line with our School District. Discussion follows.

Article 32 is adopted.

**ART. 33:** To transact any other business that may legally come before this meeting. Newly elected town officers are sworn in by the moderator.

Mary Lou Eaton moves that the meeting be adjourned, seconded by Sandy Sherman. Meeting is adjourned at 9:17 PM.

Respectfully submitted,

## Stoddard School District

### School Board Report

This year brought many improvements to James Faulkner Elementary School: a new storage building, paving the driveway, upgrading the kitchen and installing energy efficient lights. Last March, voters approved \$15,000 to pave the school driveway and parking area. Due to miscalculation of the area to be paved, there was not enough money budgeted to pave both. The Board decided to wait at least one more year to pave the parking area due to increases in our budget.

A 24-foot square storage building was constructed in August and is being used to store seasonal items, props, etc. We also had to upgrade our kitchen to meet state requirements. Improvements included installing a new sink system and rearranging equipment for better efficiency. We also had new energy efficient lights installed and received a \$2,185 rebate from the Energy Conservation Program sponsored by Public Service of New Hampshire.

Other highlights of this past year:

- ◆ Bullying Policy (pupil harassment) approved last march. Those found in violation of this policy will be subject to appropriate sanctions as determined by the Superintendent and School Board. It is the policy of the Stoddard School District to promote and maintain a learning and working environment free from harassment.
- ◆ Launching the "Kids Klub" Program in December, led by Kate Pollock of Stoddard. The before and after school program provides breakfast in the morning and a snack in the afternoon. Students play games, make crafts and sing songs. Though not funded by our school budget, the School Board supports this much-needed program for our students.
- ◆ New chain link fence. Monadnock Fencing donated a chain link fence to be installed behind the swing set closest to the driveway. The Board has a safety concern for our students on the playground while traffic is entering and leaving the school yard.
- ◆ SAU #24 and New England College Partnership. This partnership is a collaborative group with representation from communities of New England College, Weare, Henniker, Stoddard and John Stark. The purpose is to create effective learning opportunities and environments for our students. Maggie Sergeant, teacher for grades 2-3, represents Stoddard.

- ♦ SAU #29 School Climate Committee. Brenda Howard, School Board Chair, was elected by the Stoddard School Board to represent our Board on this committee. The committee was formed by the Keene School Board of Education. One Board member from each sending town of the Keene AREA serves on the committee.

Once again the Stoddard School Board would like to acknowledge the hard work and dedication of its staff. They continue to dedicate themselves to our children and school though budget cuts and staff changes have been made. Due to the small size of our school, our students have the opportunity to learn in many unique ways through visitors to the school, field trips and special programs provided by our staff. The Christmas Program was a fine example of the dedication of our staff and a true highlight of our students' talents. Also, many thanks to those who volunteered throughout the year at our school and to the Stoddard PTO for their continued support.

Respectfully submitted,

Brenda Howard, Chairperson  
Carol Clark  
Michael Meyer

## Stoddard School District

### Principal's Report

We began our school year with the return of a former staff member, Janice Dialessi. Janice has returned as our special education teacher. She lives in Keene with her husband and two sons, and is very happy to be back teaching in Stoddard. Lisa Champney joined us as this year's food specialist. Lisa lives in Stoddard with her husband and three daughters.

In the spring of 2001, the entire school, staff and students, worked together as part of our Earth Day celebration to clean up, spruce up, and beautify our school and the surrounding area. Several groups were organized so that each one could work on a different project. Each group also got a chance to go up and visit the Community Supported Agriculture's community garden, where they helped to start with the spring planting. The school's greenhouse was used to help in the seed planting for the community garden.

Once again, students brought flowering plants to various nursing homes, housing for the elderly, and local senior citizens. This provides for such a wonderful experience, since the students are involved from the very beginning with the planting and caring of the flowers. They then get to take these beautiful plants and bring them out into the community to be shared and enjoyed. Much exchanging of thoughts and ideas occurs when the students get together with the seniors. It is quite a heart warming event! Once again, the greenhouse has provided us with a great scientific, and social program.

Being newly married, our K/1 teacher went from being called Miss Smack to Mrs. Higgins. The K/1 class spent this fall with a unit on Monarch Butterflies and Caterpillars. This is always an exciting unit because they get to watch it happen right here in their classroom. Then they worked on a unit about friendships and how important they are. This was used as a way to talk about the events of September 11<sup>th</sup>, in a way that was appropriate for this age group. They also worked on an apple unit and visited Norway Hill Apple Orchard to pick apples and learn more about how an orchard works. They have just finished a unit on bats, which was a real favorite of the class. They are getting ready to start a mini unit on birds, which will be a fun unit for the beginning of winter. They will also be doing units this year on dinosaurs, the rainforest, around the world and neighborhoods & community helpers.

Mrs. Sergeant's 2/3 class spent the fall learning how to be entomologists. The students studied the classification and life cycles of insects. Students have been reading many different books in reading, and have been learning about different genres, comprehension strategies, and fluency. Learning to round numbers, borrowing and trading in math, identifying complete sentences, predicates, subjects, nouns, and verbs are just a few of the other topics which they have covered in our curriculum. Students have also published many types of writing in the classroom, in order to understand and use the writing process. With recent events in the world, students spent much time studying current events and spent a week writing letters to New York, Washington D.C., and Pennsylvania.

Mr. LaFleur's 4/5 class was learning all about Ancient Egypt. Students experimented with several different means of preservation. The first task was to mummify an apple. Other tasks involved constructing a floating boat that would hold the weight of numerous pennies that would be placed upon it, and piecing together broken pots just as an archeologist would do.

In continuing with their Egyptian studies, the next topic of investigation was based upon simple machines. Students learned how to work with levers, fulcrums, and wedges. The class was now better able to understand how the Egyptians could have built such huge structures back in ancient times.

Respectfully submitted,

Mark LaFleur, Principal

**Annual Technology Report**

Technology this past year in James M. Faulkner School has been implemented in a variety of ways. Students in kindergarten and first grade have been learning basic computer knowledge, such as opening a CD-ROM, using a mouse and locating keys on the keyboard. The second and third graders have been learning how to properly shut down the computers, solve common problems (i.e. frozen screen), and how to navigate on a specific web site. Students in fourth and fifth grade have been learning how to use specific programs and how to research on the Internet using teacher selected web sites.

Some of the specific activities that we have done over the year have been to vote in on-line polls, design multimedia book reports and/or presentations, illustrate reports and books using Kid Pix, and designing web pages. The kindergarten and first graders have been using sites on the Internet to create projects and learn more about favorite authors. Second and third graders have used the computer to take quizzes and to complete cooperative activities from selected sites. They have also been using Time Magazine's site for kids, which corresponds with the Time for Kids magazine that they use in the classroom. The fourth and fifth grades have used the Internet to track the Iditarod and to explore Egyptian archeology sites as well. The special education teacher has been using the Internet to help tailor independent education plans to classroom curriculum, and all the teachers have been utilizing the Internet and technology to assist them in their day to day teaching and planning.

STODDARD SCHOOL DISTRICT

AUDITOR'S REPORT

The records of the Treasurer for the Stoddard School District have been examined for the fiscal year ending June 30, 2001.

In the opinion of this auditor, the Cash Account as presented together with supporting documentation presents fairly the financial position for the fiscal year. These records conform to generally accepted accounting principles applied using the cash basis method.

Respectfully submitted,

A handwritten signature in cursive script, reading "Virginia R. GrandPre". The signature is written in dark ink and is positioned above the printed name.

## Stoddard School District

### Annual Meeting Minutes March 8, 2001

The meeting opened at 7:10pm at the James M. Faulkner Elementary School. Present were Business Manager, Jim Crane; Superintendent, F. Donald Jones; Board Chairman, Brenda Howard; Board members Carol Clark, Russ Huntley; Clerk, Helen Hayes; and Moderator, Dan Eaton. Also present were Principal, Mark LaFleur, Fran Irvine, Maggie Sergeant, Jessica Smack and Stoddard voters.

Moderator Dan Eaton called the meeting to order at 7:10 pm

ARTICLE #1 – OPENING OF THE POLLS – MaryLou Eaton moved that the polls be open for voting from 7:10 to 8:00pm or the end of the meeting. Carol Harper seconded the motion. All were in favor.

ARTICLE #2 – Brenda Howard moved that the District accepts the reports of agents, auditors, committees, and other officers as printed in the Annual Report. Nancy Cressy seconded the motion. The voters approved the motion by voice vote.

ARTICLE #3 – Carol Clark moved that the district appoint the salaries of the School Board and fix compensation for other officers and agents as included in the 2001 – 2002 budget. Nancy Cressy seconded the motion. The voters approved the motion by voice vote.

ARTICLE #4 – Russ Huntley moved that the district raise and appropriate the sum of \$1,118,734 (one million, one hundred eighteen thousand, seven hundred thirty-four dollars) for the support of schools, for the payment of salaries of School District officials and agents, and for the payment of statutory obligations of the District. Brenda Howard seconded the motion.

\*Voters questioned the costs associated with special education and what revenues the town receives in federal aid. Jim Crane explained catastrophic and Medicaid aid and the complex reports required in association with special education costs and revenues.

\*Voters also asked about the costs associated with the SAU budget increases. Don Jones explained the increases are due to the hiring of a full-time assistant superintendent, additional office and technical support. Also, the SAU office will have larger quarters.

\*Voters also questioned why the salary schedule is up so high. Don explained that the staff was working with a salary schedule that is 3 years old. The board brought them to a level that is compared to other surrounding School Districts.

The voters approved the motion by ballot vote.

ARTICLE #5 – Carol Clark moved that the district raise and appropriate the sum of \$15,000 (fifteen thousand dollars) to pave the school driveway/parking area at the James Faulkner Elementary School. . Jessica Smack seconded the motion.

\*Some voters thought this was a good thing for the school. Saves a lot of wear and tear on the floors in the school with tracking in dirt on the floor.

\*Some voters were very against it because of passing other article and spending so much money already.

The voters approved the motion by ballot vote.

ARTICLE #6 – Carol Clark moved that the district raise and appropriate the sum of \$8,500 (eight thousand five hundred dollars) for a twenty-four foot square storage building, constructed on a concrete slab, at the James Faulkner Elementary School. Jessica Smack seconded the motion.

\*Voters wanted to know if it could be added to the existing building.

\*Voters also said that the school really needs the storage. The school has a lot of sports equipment, tables, and other equipment that the school has bought over the years for the multi-purpose room and needs to be stored.

The voters approved the motion by ballot vote.

ARTICLE #7 – John Halter moved that article #7 to be postponed. Seconded by Jessica Smack. The voters approved the motion by voice vote.

VOTING RESULTS – Polls closed at 8:15pm

School Board Member – Carol Clark

School Board Treasurer – Joan Read

Auditor – G. GrandPre'

Clerk – Helen Hayes

Moderator – Dan Eaton

Motion was made by MaryLou Eaton to adjourn at 8:30pm seconded by Jessica Smack. The voters approved unanimously.

Respectfully submitted,

### Report of the Superintendent of Schools

To the Citizens of the School Districts of Henniker, John Stark, Stoddard and Weare:

It is a pleasure for me to provide input as a part of the Annual Report of the school districts of SAU#24.

I anticipate that you have taken the opportunity to review the information included in this document as we approach the decision making process for the respective budgets. The summaries of activities and the budget documentation will provide you with an analysis and a sampling of what has taken place over the past year as well as planning for the ensuing year. The reports, meeting minutes and descriptions will provide the appropriate information to assist you in making informed decisions on the level of financial support you will offer for the 2002-2003 year.

We continue to be impressed with the amount of positive, thorough and sincere commitment that so many of you are making to the local schools. Your involvement in the schools is very much appreciated and we trust will continue to grow. The number of dedicated staff, administrators, volunteers, parents, school board members, local civic organizations, and unnoticed others are some of the reasons why our schools are as successful as they are. We thank all of you for your continued dedication and support.

We continually strive to improve what and how we offer programs in order to motivate, challenge and provide the most effective educational programs possible. We continue to stress that greater effort, stronger achievement, higher expectations and greater communication will develop an effective and accountable learning system.

Your continued support of the educational system in your community is greatly appreciated. Together our schools will continue to improve and provide the best education possible for the children in our communities.

Sincerely,

F. Donald Jones  
Superintendent of Schools

Equalization Rate: Each year the Selectmen complete a report for the Department of Revenue Administration. This report lists all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sale was within a family or in some other way not qualified as a market value sale. Based on this information, the Department of Revenue Administration calculates the percentage of Assessed Value to Market Value.
